v.	§	Cr. No. C-06-228 (6)
	§	C.A. No. 08-160
RICHARD DAVID PATRICK, JR,	§	
	§	
Defendant/Movant.	§	

**ORDER FOR RESPONDENT TO ANSWER
AND ORDER ALLOWING MOVANT TO REPLY**

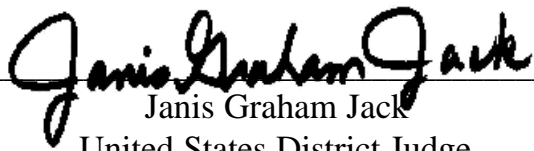

Pending before the Court is Movant Richard David Patrick, Jr.’s (“Patrick”) motion to vacate, set aside or correct sentence pursuant to 28 U.S.C. § 2255. It is now ORDERED that the United States answer the § 2255 motion not later than forty-five days after the entry of this Order. As part of its answer, the government should address the effect of Patrick’s waiver of his right to file a § 2255 motion, which was contained in his written plea agreement. In particular, the government shall address: (1) whether the record supports the conclusion that the waiver was knowing and voluntary; (2) whether the waiver is enforceable; and (3) whether the waiver precludes Patrick from bringing all of the grounds in his motion. See generally United States v. White, 307 F.3d 336, 343-44 (5th Cir. 2002) (an ineffective assistance claim survives a waiver of § 2255 rights “only when the claimed assistance directly affected the validity of that waiver or the plea itself”); United States v. Wilkes, 20 F.3d 651 (5th Cir. 1994) (enforcing defendant’s voluntary and knowing waiver of § 2255 rights).

Even if the United States contends that all of Patrick’s claims are barred by his waiver, it should nonetheless also provide a substantive response to each of his claims.

It is further ORDERED that the United States provide, at the time of its answer, transcripts of all pertinent proceedings that are not already part of the record. Relevant affidavits, if any, are also to be filed with the answer.

Pursuant to Rule 5(d) of the RULES GOVERNING SECTION 2255 PROCEEDINGS FOR THE UNITED STATES DISTRICT COURTS (2008), Patrick may file a reply not later than thirty days after service of the government's answer.

Ordered this 7th day of July, 2008.

United States District Judge
